

Treasureland Preschool Job Description

TREASURELAND PRESCHOOL IN DENVER, COLORADO SEEKS PART-TIME PRESCHOOL CO-TEACHERS TO JOIN OUR TEAM FOR THE 2024-25 SCHOOL YEAR

Treasureland Preschool is a learning community which understands the power of relationship-based early childhood learning and believes in the immense value of play as a conduit for a child's exploration and discovery of his or her world. Team members who thrive in our learning community understand and promote our relationship-based approach to education and family partnerships and are committed to the inclusion of diverse perspectives. If you love cultivating the curiosity of young children, want to roll up your sleeves as part of a collaborative team, and flourish in a relationship-based environment, please consider applying!

We have openings for an experienced Preschool Early Childhood Co-Teacher in our program. Early childhood teachers in our program plan and implement engaging, developmentally appropriate learning activities that stimulate inquiry, problem solving, language development, and positive social interactions. All candidates should exhibit a true respect for children and a passion for fostering their learning and development. Keen observational skills and the desire to work collaboratively and cooperatively with a co-teacher are critical.

To qualify, candidates must have the following:

- Associates degree or higher in Early Childhood Education or related field from an accredited institution, or Early Childhood Teacher qualification by the State of Colorado Human Services
- Lead teaching experience within a preschool early childhood environment
- Positive guidance strategies with young children
- Strong communication skills, oral and written
- Confidence in curriculum planning and implementation of learning opportunities to support children's overall development
- Knowledge of Conscious Disciplines and investigative curriculum preferred
